Activity 2 — Role-Play Observer Checklist

Attitude and Positive Language at a Changi Airport Service Counter

Focus of this observation	Service attitude, body language and positive language under pressure
You are observing	Role A — the Service Officer
Setup	Pairs. Role A = Service Officer, Role B = Mr Krishnan. Swap after the first round. Observers score.
Duration	15 minutes

Observer: _____ Performer: _____ Round: 1 / 2

Tick DONE only where you actually saw the behaviour. 'What good looks like' is the standard — anything less is NOT YET.

#	What to observe	What good looks like	Done	Not yet
1	**Greeted and acknowledged within seconds**	Made eye contact and greeted before the customer had to speak first.		
2	**Physical reset before the interaction**	Shoulders back, hands visible, a breath in before the first word — not visibly carrying the previous 10 customers.		
3	**Delivered the 'no' within the first 2 minutes**	Stated plainly that hotel accommodation is not covered, without stalling or burying it.		
4	**Used positive language throughout**	Framed on what IS available ('I can get you on the 1:50pm and into the lounge now'), never opened with 'unfortunately' or 'we don't'.		
5	**Offered alternatives unprompted**	Named at least two things they could do before the customer had to ask.		
6	**Acknowledged the children**	Noticed that the customer's stress is mostly about the two crying children and responded to it.		
7	**Tone and body language held under fatigue**	No flat tone, no sighing before speaking, no loss of eye contact as the interaction ran on.		
8	**Closed with clear next steps**	The customer left knowing exactly what happens next and by when.		

Strongest moment — what worked, and why

One thing to change in the next round

The performer's own view (ask them first, before you give feedback)

Check your work: You delivered a genuine 'no' inside 2 minutes, offered at least two alternatives unprompted, and your partner reports feeling served rather than dismissed.
